Re: Pure Power Boot Camp, et al. v. Warrior Fitness, et al.
08 Civ. 4810 (JGK) (THK)

Your Honor:

This firm represents Defendants in the above-referenced action. We write the Court to address Plaintiffs' alarming and sanctionable behavior and to request a pre-motion conference in advance of a motion by Defendants to restrain this ongoing activity.

As the Court is aware, Defendants have addressed, through several letters to the Court, and by Motion pending before the Court, Plaintiff's illegal interception of Defendants' personal and corporate email accounts with the intent to steal private, confidential, and privileged communications. We have also addressed, in our opposition to Plaintiff's Motion for a Preliminary Injunction, Plaintiffs' breaking and entering into Defendants' gym.

Now, Plaintiffs' principal, Lauren Brenner, has apparently harassed Defendants by telephoning their gym and either asking questions using an assumed name and/or disguising her voice for no other reason but to harass Defendants. Last Friday, a caller apparently originating from Brenner's telephone line, telephoned Defendants' facility and Alex Fell picked up the phone. Brenner immediately hung up. In addition, our clients informed us that Brenner has authored two false and defamatory internet reviews of Defendant Warrior on the internet review sites "Yelp" and "Insider Pages."

In addition, despite our requests as set forth in our cease and desist letter annexed hereto, Brenner continues to use unauthorized images of Defendants Fell and Belliard on her website and in her advertisements on the sides of New York City MTA buses.

These illegal activities continue to prejudice and harass Defendants and demonstrate Plaintiffs' vindictive and retaliatory motives in bringing this action. Their recent illegal acts mirror their unethical behavior prior to and during the pendency of this case. As a result of the foregoing, Defendants respectfully request a pre-motion conference in advance of a Motion to be made by Defendants seeking a restraining order against Brenner and/or anyone acting on her behalf to stop her continued illegal activities as set forth above and/or for sanctions as may be appropriate.

We thank the Court for its attention to these matters.

Respectfully submitted,

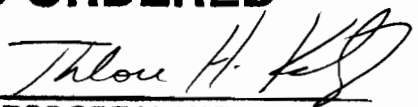

Daniel A. Schnapp, Esq.
